Summer Fair

Please see the attached flyer re next week's summer fair days.

Thank you again to all of the parents and families who have sent in the **entry fees** as well as **donated items** for the stalls. We have been blown away by the generosity and support of our families. All money raised is fed directly into school funds and used to resource and support the teaching and learning for our school. We have purchased 4 brand new SMART boards this year with a requirement for a further 2 to be installed before the end of this year. Each one costs approximately £2500 and all money raised is a significant support to our pupils and staff.

For your information:

- In partnership with New Horizons, there will be a plant stall located at the front door of the school for **parents** who would like to purchase **garden plants**. All children will be given a potted flower on their day.
