22<sup>nd</sup> March 2021

**Principal Mrs. C Thompson**

Dear Parents and Guardians,

**Covid 19 - Health and Safety**

**We very much look forward to welcoming P4 – P7 back to school on Monday 22<sup>nd</sup> March. We are however, very aware that the virus is still a significant risk.**

Thank you again for continuing to co-operate with the school by **wearing facemasks** when on the school premises and the significant and important role you have played. Please be reminded that pupils should not be in the senior playground before 9am as this is when adult supervision begins.

**No adult or child** should attend the school site if they display **ANY** Covid 19 symptoms.

- Continuous cough
- High temperature/fever (Staff and pupil temperature will be checked on arrival)
- Anosmia (loss/change of normal taste/smell)

If anyone becomes unwell with a new, continuous cough or a high temperature/fever or anosmia (a loss or a change in your normal sense of smell, which can also affect your sense of taste) they will be sent home and advised to follow the guidance for households with possible coronavirus infection.

If your child presents with any of these symptoms during the school day, they will be escorted to an isolated room away from other pupils and supervised. You will be contacted immediately to collect your child from school urgently.

Thank you again everyone

Yours Faithfully,  
Mrs. C Thompson  
Principal
